Sprint 1 - Release Planning Document

Target release	Jun 16, 2023
Epic	▣ FIN-2: Learning TO DO ▣ FIN-3: Account Management TO DO
Document status	READY
Document owner	@Aditya Kulkarni
Sprint Participants	@Aditya Kulkarni @Adam Badar @Aryan Thakur @Balraj Kharol @Shawn Santhoshgeorge @Shashwat Doshi @Rahul Sharma

🎯 Objective

Backend:

- Create an initial setup of class hierarchies for storing users, their information, and the content they will access in the learning module.

Front-end:

- Set up the Learning framework (All courses → All Units inside a course → All content inside a unit → A video/article page)
- Setup the Login and Signup pages
